

What I need from you

To set up the Sportif shop at sportifcollection.com.au.

Part A: things only you can do (your bank and ID)

Open the Shopify account, then add me as a staff member so I can build it. It is tied to your business and bank, so it must be in your name.

Business name and ABN: _____

Registered for GST? (yes / no): _____

Bank account and a photo ID: you type these straight into Shopify Payments. Please do not send them to me.

Part B: things to send me

Where is sportifcollection.com.au registered? (e.g. GoDaddy): _____

Business address (where orders ship from): _____

Logo files (a PNG with a see-through background is best): _____

Product and brand photos: _____

Your existing contact list (send me the file): _____

Part C: your products

Product 1: the booty band

Name: _____

Colours available: _____

Price (AUD): _____

How many units of each colour (out of the 500): _____

Material (once decided): _____

Weight, rough size, and care instructions: _____

Photos: _____

Product 2: the vegan ankle strap

Name, colours, and price (AUD): _____

Units of each colour, material, weight, size, care: _____

Photos: _____

The gift pouch is free when a customer spends over \$ _____ (about \$70):

What I need from you (continued)

Part D: a few quick choices

Afterpay or Zip? (yes / no): _____

Your customer loves these and they usually lift sales. I would say yes.

Returns: how many days, and who pays return postage? _____

Shipping: free over a spend (what amount), or a flat rate? _____

Who packs and posts the orders? (you, or a service): _____

Customer support email: _____

Part E: accounts (already done)

Nothing needed here. Instagram @sportifcollection, TikTok @sportifcollection, and the domain sportifcollection.com.au are all secured.

To get started I only need Part A and the domain, so do those first whenever you can. The rest we fill in as we go. Any questions, just ask. Hugo.
