

S P O R T I F

How it all connects

Your socials all lead to one place: the shop.

WHERE PEOPLE FIND US

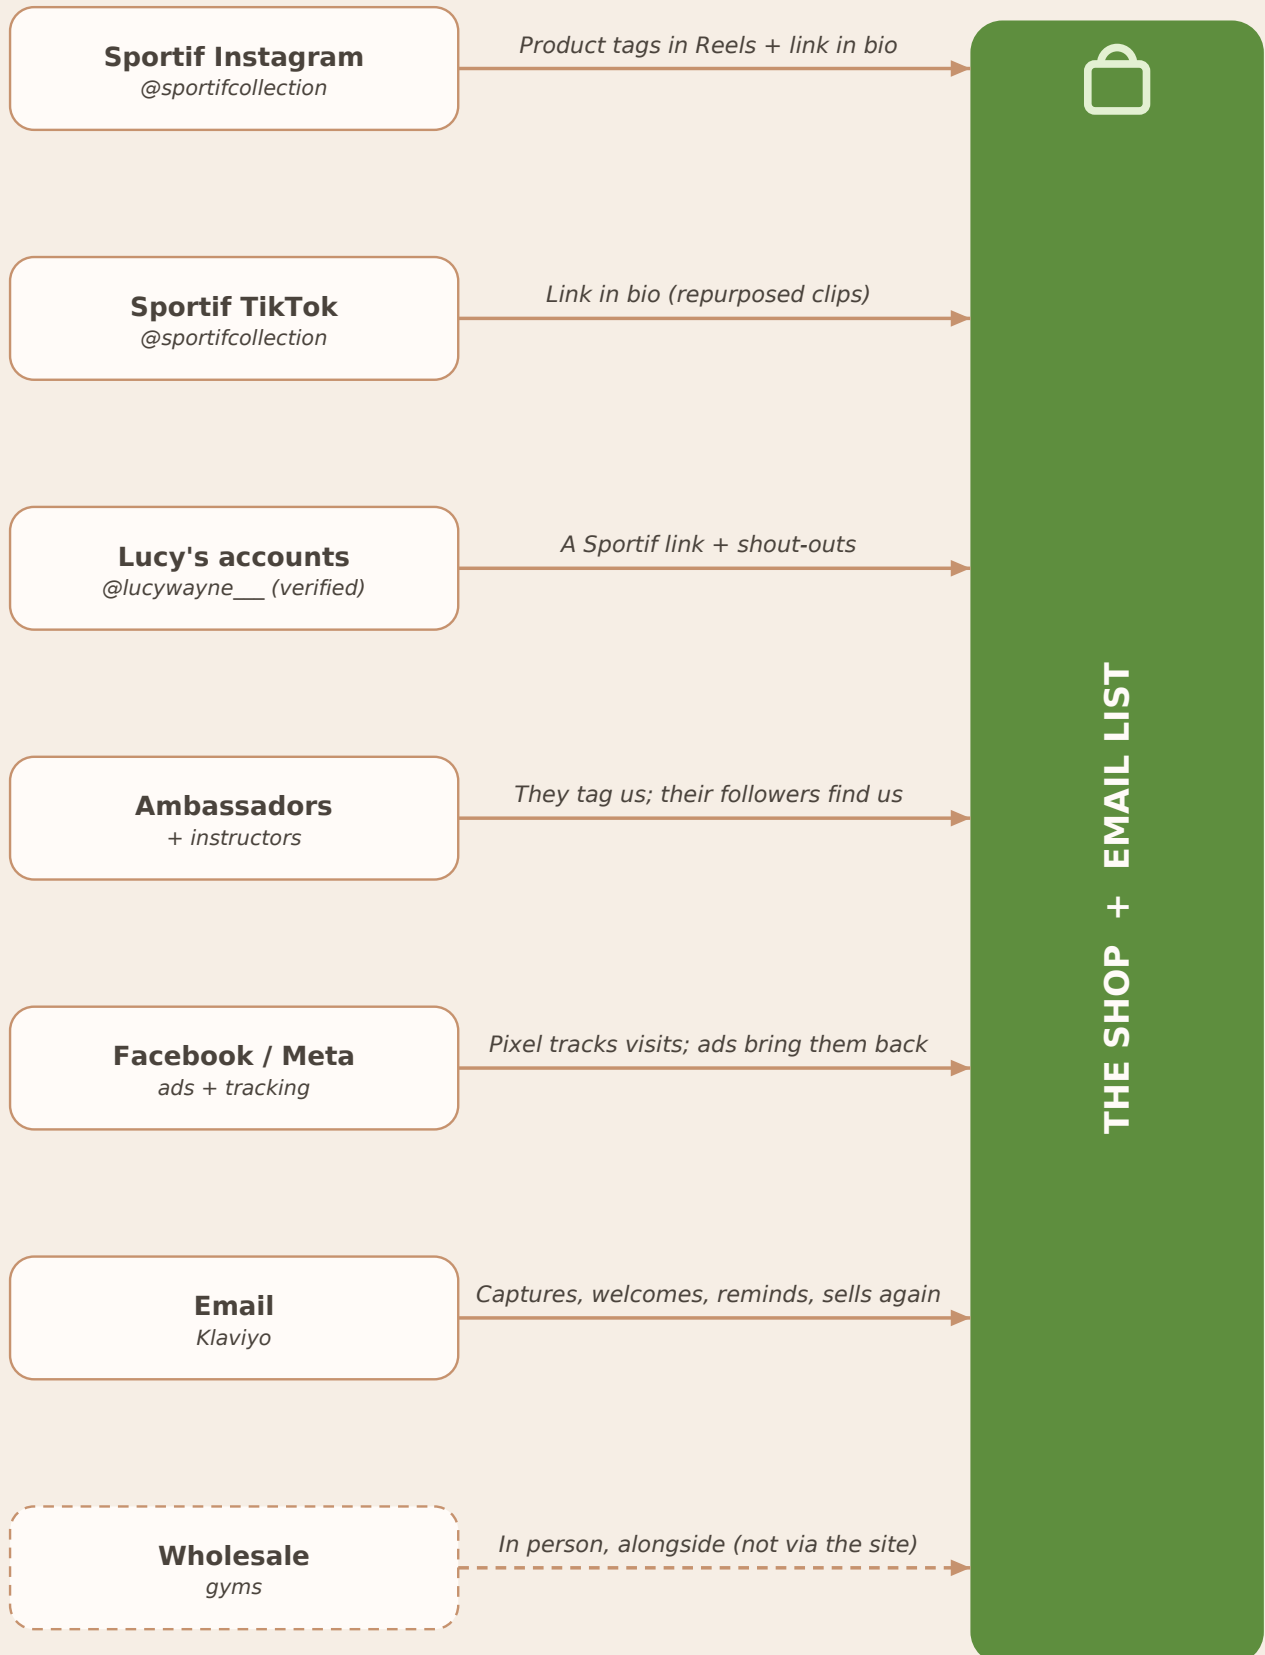

Then it loops: happy customers and ambassadors send the next people back to the top.

ALONGSIDE (not through the website)

How each channel links to the shop

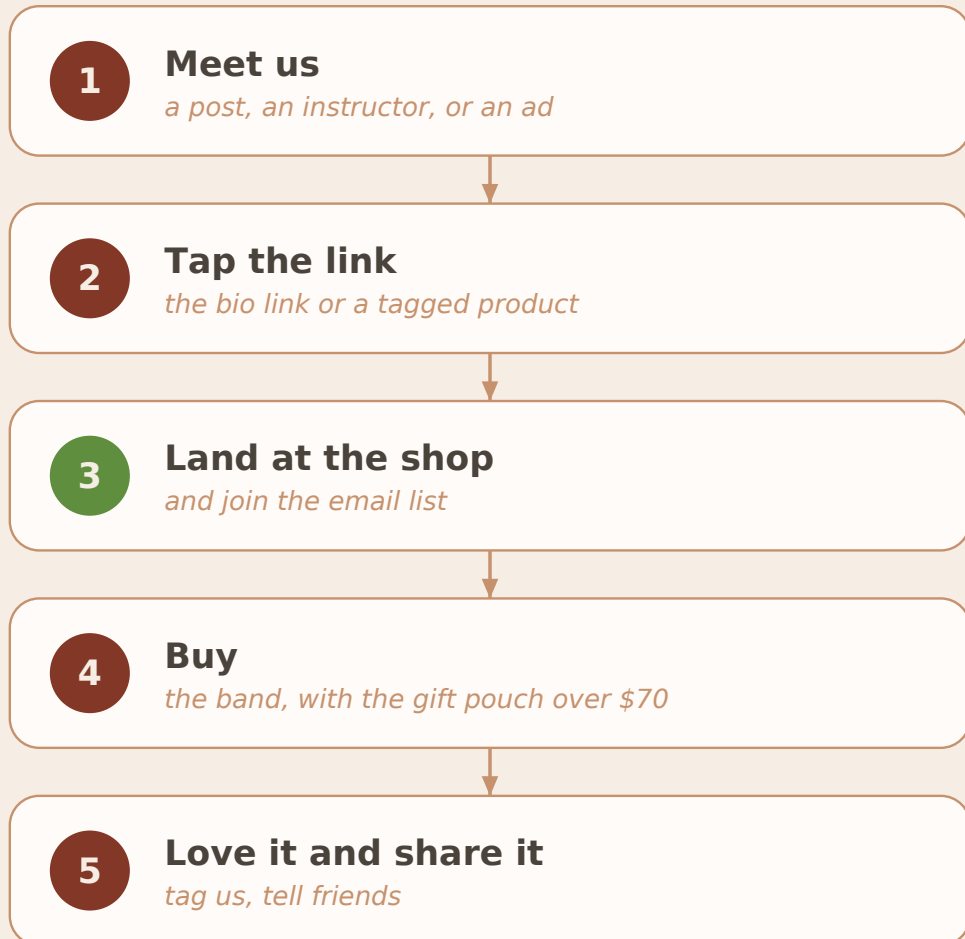

Every account points to the same hub.

S P O R T I F

What a customer actually does

The journey, in five steps.

Then their friends meet us, and it starts again.
