

# How it all works, simply

*Our aim: build Sportif into a brand women love and trust, with Lucy at the heart, that sells beautifully now and grows in value over time.*

*Plus: the gyms Lucy already knows stock Sportif from day one, the fast, warm sales while the audience grows.*

## What we are aiming for

- Sell the first 500 bands.
- Grow a real, engaged audience and email list (quality, not a vanity number).
- Get Sportif into the gyms Lucy knows.
- Build lasting brand value, so customers come back for the next thing.
